Expand your nursing options in this ever-changing field

Learn at your convenience with our online course. You don't need to be a computer expert, but you do need to be comfortable sending email, navigating the Internet, using Microsoft Word and Powerpoint.

Your course materials will be sent to you via the Internet, in the form of six online modules. Completing assignments and taking tests is easy using the system U Got Class.

This course is designed in a hybrid format, including online and two days of classroom time, as well as clinical experiences.

The components of this course are:
- Theory instruction taught online
- Assigned reading
- 180 hours of clinical experience with an RN precept

The objective of the Online RN Refresher course is for participants who are providing care to be able to gain a professional level of knowledge in the following areas:
- Safe Effective Care
- Health Promotion & Maintenance
- Psychosocial Integrity
- Physiological Integrity
- Diagnostics, Pathophysiology
- Physiological Adaptation

Requirements for this program include: holding a valid Alabama Registered Nursing license, proof of up-to-date immunizations and current health insurance coverage.

Auburn Montgomery has agreements with several Alabama hospitals to complete the clinical hours. You can request the hospital where you would like to work your clinical hours. However, we cannot guarantee placement at that hospital. A portion of the clinical hours will be completed at the Institute for Patient Safety and Medical Simulation in Montgomery.

Fees are $995 tuition and a $150 lab fee. Fees must be paid in full at the time of enrollment.

Additional charges include malpractice insurance and fees for a criminal background check. After you are accepted into the program you will receive instructions for obtaining the background check and malpractice insurance.
